

ARECA TRONCONNEUSE**Chain oil 100**

ISO VG 100 grade adhesive oil for lubricating chainsaw chains.

ARECA TRONCONNEUSE has been specifically designed to provide good adhesion, effective wear protection, and reduced dripping and splatter.

Always refer to the manufacturer's recommendations before using the product.

Physicochemical Characteristics

Characteristics	Method	Unit	Typical value	Min.	Max.
Viscosity grade	ISO 3448	-	100	-	-
Kinematic viscosity @ 40°C	ASTM D 7042	cSt	101	90	110
Density @ 20°C	ASTM D 7042	-	0,961	-	-
Pour point	ASTM D 97	°C	-37	-	-
Flash point	ASTM D 92	°C	224	-	-
Colour	Visual	-	Green - Brown	-	-
